PRACTICE ON A MUDDY FIELD: COLD, FOUL WEATHER: LONG GAMES WHILE SITTING ON A HARD MUD. MUCH TEAM SPIRIT THOUGH OFTEN THEY DON'T GET TO PLAY: AND WHEN THEY DO PLAY----- OUT OF LOVE FOR THE GAME, AS THE SPOTLIGHT FOCUSES ON THE VARSITY.

Betty Walberg, as chairman of the Homecoming committee conducts a meeting with the assistance of Janice Powell and Jane Pomeroy.

Bag It

A Homecoming spirit reigned over BHS the week of September 27th to October 1st, 1965. There were KKK Grand Dragons (well Bill Nakao) and jazzed up models of last year's potato bags when BHS students bagged Forks. Then on Blue and Gold Day the 45' yell leader taught us the famous "Kill! Kill! Kill!" cheer while Professor Crookshank looked on.

Hey! Who are all those girls in blue marching across the football field? It's our new drill team carrying the homecoming banner.

Charley's Aunt

I say, old fellow, did you happen to see the Senior Play, "Charley's Aunt"? Absolutely smashing, under new direction you know, Mrs. Afnan, a charming character herself. Ten quite jovial personalities pranced about the stage--long dresses, white hair spray--ahh Lurch--forgotten cue lines kept the whole show rolling. Bill Nakao, Bob Russell, Rudiger Mischkowski, Paul Lohnes II, Mike Taylor, Norman Newkirk, Judy Harris, Sue Kemp, Sandi Fleming, Jane Yost.

WINTER IN WONDERLAND

"...THEN WE WILL HAVE PEACE"

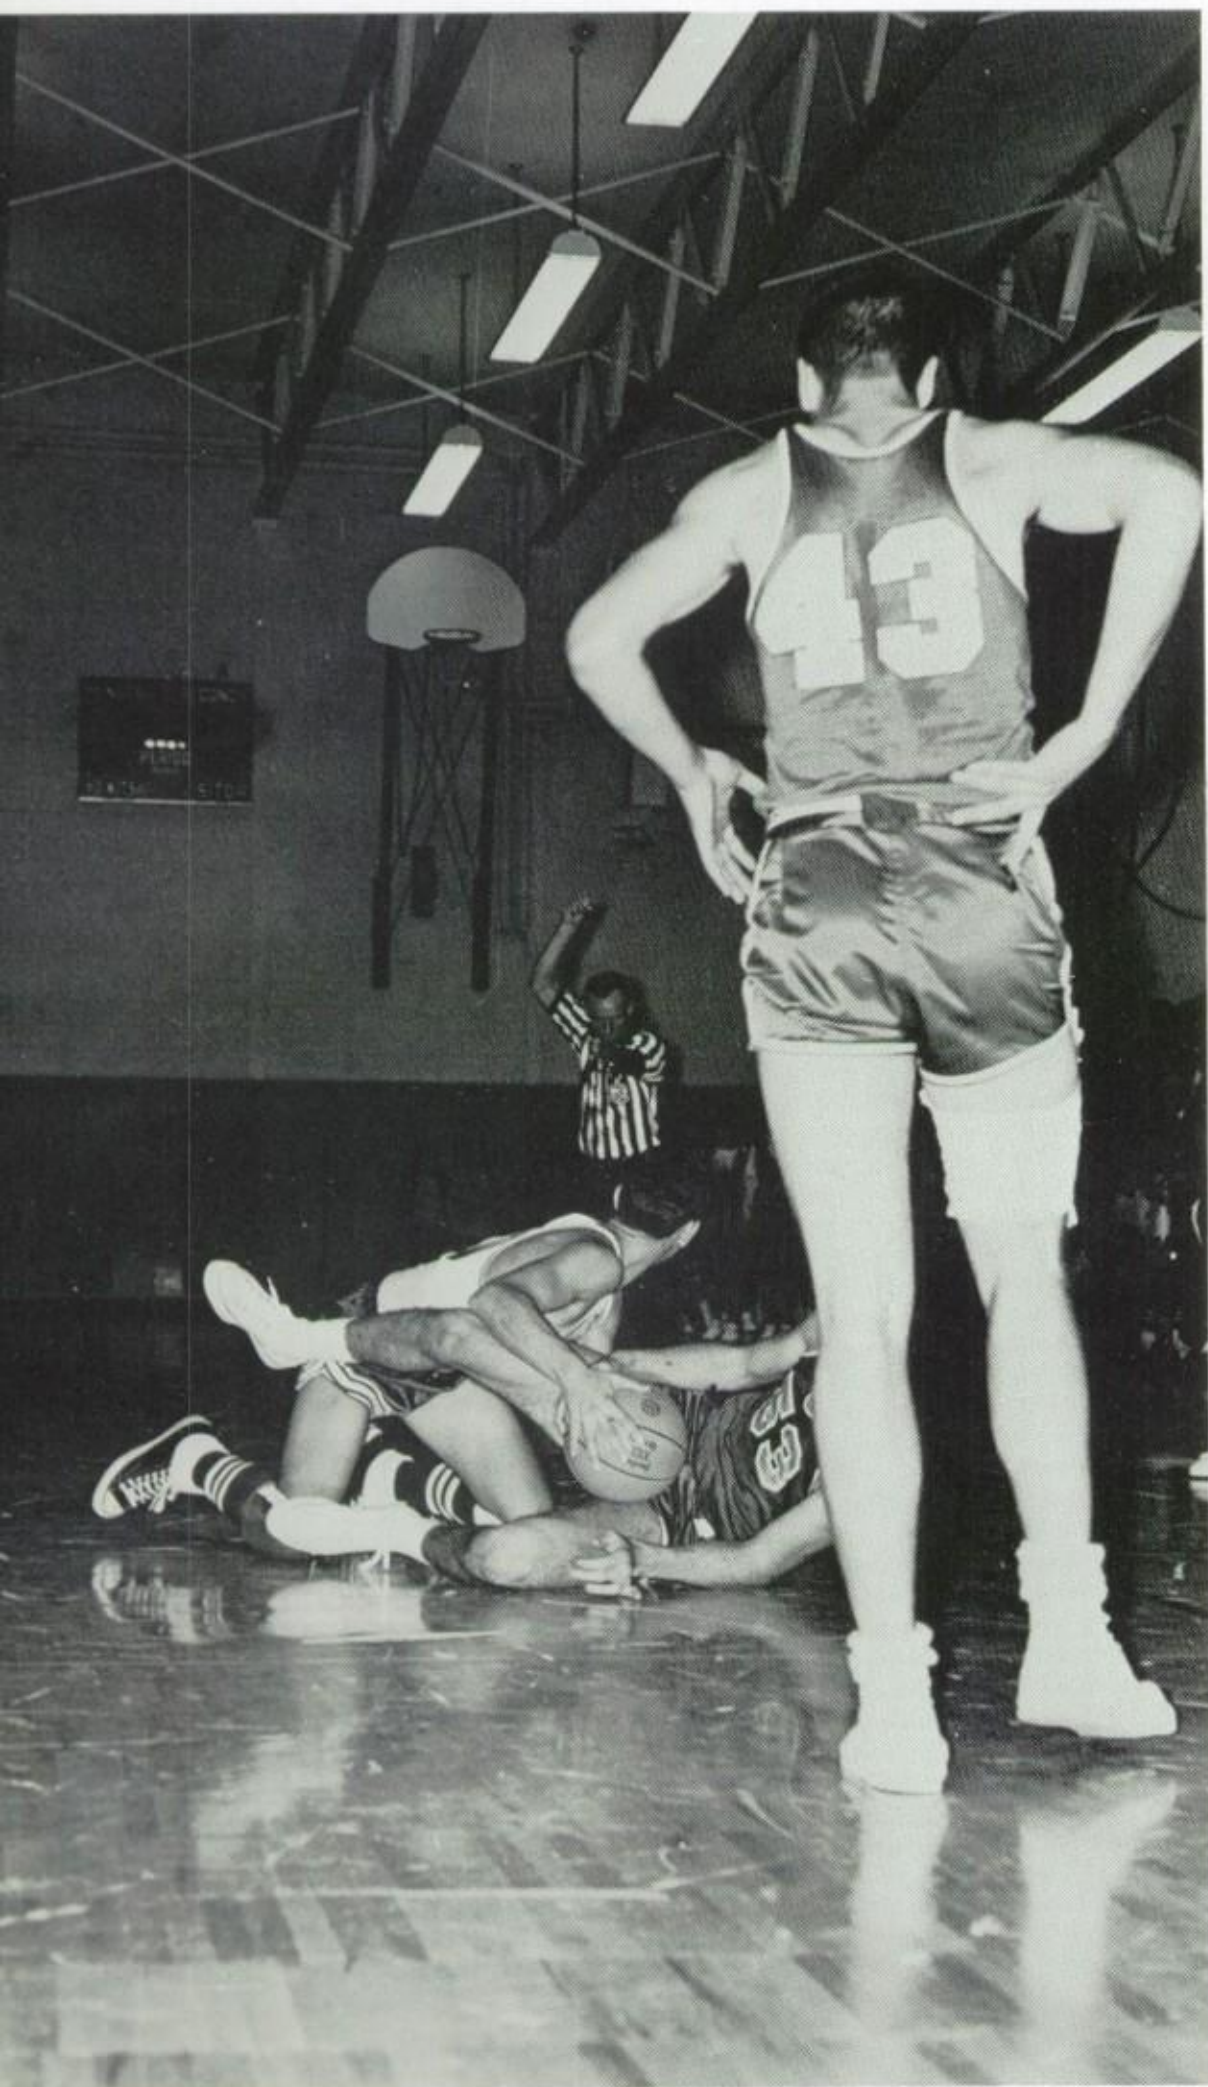

The school's foreign exchange club, AFEX, has made money this year by selling Christmas corsages and holding a mixer. Proceeds from these sales went to finance the annual Exchange Assembly on April 21, which featured foreign exchange students from the area. John Moench, return exchange student, and Rudiger Mischkouski, our present exchange student from Germany also took part in the assembly which afforded B.H.S. pupils the opportunity of hearing the ideas and experiences of those having lived in another country. Those planning such a program as this were AFEX president, Mike Taylor, vice president, Susan Adams, and secretary-treasurer, Sherry Smith. Mrs. Stewart, club advisor, and the selection committee announced in February that our next student to Albertus Magnus Gymnasium, our partner school in Germany, will be Tom Nelson. Bill Knudsen is our exchange student at present.

Lettermans' Club President Chuck Hoodenpyle and his staff have worked hard to lead Lettermans' Club through a successful year. A hot dog sale....a pee-chee sale....Santa Clauses that visited small children during Christmas....a basketball game for Boys' Club high-lited their activities.

Laughing at his fellow teammates, Denis Snyder ambles down the court. The Seniors came out second in the game.

Bill Sinnett is conducting a Student Council meeting.

Student Council

The Student Council aims at providing the students at Bainbridge High School with an ever-widening scope of opportunities for leadership, service, recreation, and entertainment. It is the foundation upon which student life is built.

The Student Council seeks to electrify the student body with enthusiasm and school spirit.

As a forum for free and open discussion, Student Council serves as a valuable link between the faculty and students of B.H.S., as well as between the students themselves. Through their elected class, club, and roll room representatives, the students are able to experiment with self-government. This experience prepares them for a future as responsible citizens.

This year we have witnessed the establishment of some long-awaited programs: most notably--the lunchroom study plan and the spring dances.

Yes, mistakes were made but at least a mistake is evidence that someone tried to do something.

We salute the Student Council for their fine and successful year.

The Student Council Officers are from LEFT to RIGHT: Doug Pratt, treasurer; Bill Sinnett, president; Lorna Frey, vice-president; Sue Kemp, secretary.

Led by their president Dave Kane the freshman class showed their spirit and great enthusiasm by winning the magazine drive. Following the conclusion of the drive they had the privilege of occupying the senior lounge for one week.

Their single money making project was the mixer which was held in December. The profits came to \$28.00.

Inexperience

Oh, I will go with carefree laugh-
A lilting song,
And you will smile a sad, wise smile,
Knowing I'm wrong.

Then I'll come back with drooping head,
Hurt and burned,
And you will smile a sad, wise smile,
Knowing I've learned.

The Sophomore class officers and advisors are from left to right: Mr. Bonamy, advisor; Mary Dolan, representative; Jim Johanson, vice president; Kelly Hall, treasurer; Linda Keeney, secretary; Larry Hura, president; Miss Campbell, advisor.

Sophomores

The Sophomores, who will soon become upperclassmen, had a very successful year led by their president Larry Hura.

A coke sale, which is a new idea as far as money making projects, and a mixer contributed to make this year extra special for the class of 68'.

Although they did not come in among the top during the class competition they put up a good fight, and showed their class and school spirit during the pep assemblies.

Juniors enjoy pep assembly . . .

And support Spartans.

The Senior class officers and advisors are from left to right, David Stith, treasurer; Mrs. Forrester, advisor; Barbara Houck, secretary; Mr. Clough, advisor; John Chastain, president; Judy Harris, vice president; Mrs. Lundgren, advisor; Herb Kroehl, representative.

Seniors

Exhibiting spirit and confidence, the class of '66 raced through their final year at B. H. S.

The class directed their activities to raise money for the Senior Ball, and the Senior Cruise. During the year they sold pep pins, had a car wash, and held a mixer.

In athletics, drama, student government, and scholastics, the Senior class led the way setting a good example for classes to come.

After The Curfew

The play is over. While the light
yet lingers in the darkening hall,
I come to say a last good-night,
before the final Exeunt all.

In Recognition...

As a boy, Mr. Chambers attended Condon Grade School and later went on to four years at Gillian County High School in Condon, Oregon. His years there were very active ones as he participated in football, basketball, track, chorus, plays, and class activities.

From Condon he went to Linnfield College in McMinnville, Oregon. It was here that he met Kathlyn Black, a native of Toronto, Canada, then living in Oregon. Miss Black was later to become his wife.

After serving in the war effort in Alaska from 1943 until the end of 1945, Mr. Chambers returned to Linfield and majored in math and graduated in 1948. He went on to attend the University of Washington Graduate School where he majored in English and Education.

Before coming to Bainbridge, Mr. Chambers taught in Evergreen School District in Vancouver, Washington. In the fall of 1956, he came to B. H. S. primarily as a science teacher, and in 1961 became principal.

Life on Bainbridge is busy for our principal. He is an active member of the Kiwanis, and the Bainbridge Island Library Board. When he has a spare moment he's off to the nearest river to go steelhead fishing.

His family, besides his wife Kathlyn, includes: three children, Douglas 19, Laura 6, David 5, two brothers, Jim, who is finishing twenty years in the service and Carol, a newspaperman in Newport, Oregon.

We, the students of B. H. S. wish to express our thanks to you Mr. Chambers for your loyal service to our school. It has been greatly appreciated and we extend to you and your family the best of luck in the future.

It Is Here The Administrators

Freedom of speech is a vital part of our school board's meetings. It is under this atmosphere that debate rang out on such controversial issues as the spring dances and the school levy. Members on our school board are as follows; Left to Right: Mr. Carl Berg, Dr. B. Sinclair Wilt, Mr. Benjamin Downs, Mr. Marshall Majors, and chairman Mr. Donald Brunni.
